**University of Bologna:** BSc in Applied Mathematics (2014–2018)

Vetted Tutor

## Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

## Tutoring Experience

With five years of experience, I've supported students in Italy and beyond, guiding them through the complexities of IB Maths and other curriculums like A-Level and IGCSE. My aim is to ensure students not only understand the subject but also excel in their exams. My diverse experience allows me to tailor lessons to each student's unique needs, helping them achieve their goals.
