Qualifications

KU Leuven: MSc in Chemistry (2012–2014)

Ghent University: BSc in Chemical Engineering (2008–2012)

Vetted Tutor 

Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

Tutoring Experience

Over the past decade, I've had the privilege of working with students from various international curriculums, including IB, A-Level, and IGCSE. My experience includes guiding students through complex chemistry topics, ensuring they are well-prepared for their exams. Many of my students have gone on to achieve top marks and secure places at renowned universities.
