## Tutoring Experience

With over 11 years of teaching, I've had the privilege of guiding students across different curriculums, including IB, A-Level, and GCSE. My focus has been on helping students achieve high grades in their English exams, with a special emphasis on essay writing and literary analysis. Many of my students have successfully gained admission to top universities.

I've also worked extensively with students preparing for IGCSE exams, tailoring my lessons to suit individual learning styles. My deep understanding of English literature, combined with practical experience, allows me to support students in mastering complex texts, ensuring their academic success.
